Residential use (apartments)

Brief description

The site is located on the edge of Nový Jičín. There are no buildings on the site, and parts of the land have tree growth. The site is intended for apartment blocks and buildings whose size and appearance are in keeping with the surrounding buildings and the town's urban planning documentation. The site is owned by the town of Nový Jičín. It is an attractive location close to the town centre, all civic amenities within easy reach.
