TYPE OF USE

Site for industrial production

Brief description

A site within the town of Rýmařov zoned for small-scale production and production services. The site consists of one parcel (no. 2787/1, cadastral area Rýmařov, subdivision Rýmařov, municipality Rýmařov) on the edge of the town, adjacent to another industrial site (small-scale manufacturing). It is located 100 m from road no. II/370, close to the Teplo Rýmařov, s.r.o. heating plant.
