TYPE OF USE

Site for industrial production

Brief description

A site within the town of Rýmařov (the Janovice area of the town) zoned for industrial production. The site consists of one parcel (no. 3438/1, cadastral area Rýmařov, subdivision Rýmařov, municipality Rýmařov) on the edge of the town, in a strategic location next to road no. II/445 (the main road from Rýmařov to Šternberk and onward to Olomouc and Brno).
