Yes

### AIRPORT WITHIN 50 KM

No

### TYPE OF USE

mixed-use residential development, high architectural value

## Brief description

The building is located in the central part of the village, on the square; it was formerly used as an inn. Part of the roof has been destroyed by fire. The building is in very poor condition and presents a danger to its surroundings (the building authority has ordered emergency measures to prevent collapse). Suitable for use as a restaurant/hotel. Offered for sale.
