Brief description

A 10-floor building housing the municipal authority, job centre, post office and several private companies. Available for rental: office spaces from 17 m² to 66 m² (levels 1, 7, 9 and 10). Time-restricted parking outside the building, or parking spaces for rental in a reserved zone behind the building. There is open access to the building during the opening hours of the Kopřivnice municipal authority. Outside these hours, the building is closed and there is a reception service. Most of the interiors were reconstructed in 2006. The area available fluctuates depending on current usage. The precise available area at any time can be communicated on request.
