partial

1ST CLASS ROAD OR MOTORWAY WITHIN 10 KM

Yes

RAILWAYS WITHIN 10 KM

Yes

AIRPORT WITHIN 50 KM

Yes

TYPE OF USE

industrial production and warehouses

Brief description

The F4 skip tower building is located at the former František coal mine complex. The municipality has regenerated this complex to create a modern industrial zone. The skip tower is one of the original structures at the site, and it cannot be demolished due to the adjacent buildings. For this reason a new use needs to be found for it (warehousing, offices, etc.).
